Moir's Environmental Dialogues Archives Available

September 09th 2009: Massachusetts Ocean Partnership

All together now! The Massachusetts Ocean Partnership is committed to helping Massachusetts create and implement the best ocean management plan possible. A plan that fairly represents all interests, that is based on the best available scientific information and, ultimately, supports resilient ocean ecosystems, productive economies and vibrant communities. Discover the diversity of voices, the plethora of interests, coming together to promote healthy, resilient ocean ecosystems and thriving, sustainable marine dependent communities. No small challenge that in this episode of Moir's Environment
