September 11th 2009: Spirit as Life Force

It is said that humans are made up of body, mind and spirit. We could look at the body as a fully customized, well engineered vehicle delivered to its owner at birth free and clear. This vehicle comes with a master computer known as the mind powered by the brain. Both of these are subject to wear/tear and ultimate deterioration, balanced of course, by proper care. The spirit however, is the intelligence that drives the vehicle. It is immortal, invisible and never dies. What do we know of the make-up of the spirit? How to access this awesome field of intelligence and make it work for us? N
