The camera can be a very powerful erotic tool as a witness to your love life. Perhaps you are a born exhibitionist when it comes to playing in the erotic realm, or maybe you are shy and would prefer to play behind the scenes, whatever the case, I am so excited to share with you our secrets to creating your own erotic cinematography. Lawrence Lanoff, director of multiple films for Playboy Entertainment and New World Sex Education, plus a best-selling author of A Course in Freedom, will discuss how you can use the camera to put some sizzle in your love life.
