September 16th 2009: Alternatives for  
Community and Environment, Environmental  
Justice for Boston**

ACE builds the power of communities of color and lower income to eradicate environmental racism and classism and achieve environmental justice. Everyone has the right to a healthy environment and to be decision-makers in issues affecting our communities. ACE is anchoring a movement of people who have been excluded from decision-making to confront power directly and demand fundamental changes in the rules of the game Together we can achieve our right to a healthy environment. In this episode we will hear from urban youth about two projects: Roxbury Environmental Empowerment Project, where schoo
