September 30th 2009: Shift in Awareness for the Golden Era of Peace

In this last episode in the Awakening to Conscious Co-Creation series host Peter Tongue reviews and reflects upon the phenomenal insights and information that his guests have shared over the last twelve weeks. Each one had brought their own awareness and interpretations of the shift in consciousness taking place as we approach the most fascinating time in Earth's history. Peter will bring his own understanding of this SHIFT and what he believes we need to do to become conscious co-creators as the Golden Era of Peace unfolds.
