September 28th 2009: Cutting Through the Deception of Wall Street Analysts

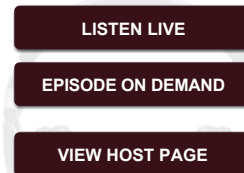

Stephen T. McClellan is a veteran of many years as a securities analyst on Wall Street, and in his revealing new book *Full of Bull: Unscramble Wall Street Doubletalk to Protect and Build Your Portfolio* he tells you what you need to know as an investor to make sense of Wall Street research. McClellan explains how to avoid Wall Street pitfalls by identifying worthless research that is actually biased and misleading. Analysts do provide valuable insight into earnings trends at particular companies and in industries, so it can be quite useful if you know how to interpret it correctly. Armed with M
