### Autism One: A Conversation of Hope Archives Available

**October 20th 2009: The Integrated Self-Advocacy ISATM Curriculum with Dr. Valerie Paradiz**

Self-advocacy plays a vital role in nearly every aspect of life for an individual on the spectrum in school, at home, in the community and at work. The more self-awareness people on the spectrum possess, the more they can be players in advocating for their own comfort, happiness, and well-being. Teri will be joined by Valerie Paradiz, PhD, author of the new book titled The Integrated Self-Advocacy ISATM Curriculum: A Program for Teachers, Therapists and Students. Valerie and Teri will discuss the eleven units included in the curriculum, which cover scanning sensory and social environments, i
