October 29th 2009: **Loving Connections**

Jane Bissler teaches her clients how to feel connected to their loved ones and shows them how connecting can be a healing experience. Dr. Bissler is the Co-author of "Loving Connections: The Healing Power of After Death Communications." Jennifer Martin's son, Kelly, was diagnosed at age 4 with a rare metabolic disorder known as MPS. When he died suddenly at age 23, Jennifer began to write, first his eulogy, and then a journal. After many years, she realized her story of healing could help other bereaved parents, and her story became the book, Star Child.
