October 23rd 2009: QandA Time, Let's go to the mailbag

This week we're taking time to pull questions from the mailbag. Many of my listeners have e-mailed me with questions and comments around making that inner connection, raising consciousness and more. I thank you all for your interest and participation. You're keeping me on my spiritual toes. Call in and share your journey, let me know how Spirituality 101 is impacting your spiritual journey. If you're new to the class, welcome and know that this week there will be something special for everyone.
