November is men's sexual health month and we are starting off with a topic that is rarely discussed but can greatly increase sexual pleasure and health. Did you know that the information about circumcision preventing infections and STD's is false? Did you know that you can actually restore your foreskin and restore sexual pleasure that is lost in the many nerve endings that were cut when you were circumcised? In this show we will talk with Destin Gerek who restored his foreskin and became an advocate to help men claim the pleasure that is their birthright. I personally have encouraged my p
