November 20th 2009: "Beyond the Tenth" with Rev. Norma

It has long been established that the average person is only one-tenth conscious, this leaves nine-tenth of what we know lying dormant in the sub-conscious. This week's lesson unfolds the mystery of how to go beyond the tenth of everyday consciousness. How to tap into the vast storehouse of knowledge stored there. Does it really hold the keys to enlightenment, spiritual growth and abundance at multiple levels? Join Rev. Norma on this fascinating journey to the realms of the sub-conscious.
