December 04th 2009:QandA Time, Let's go to the mailbag

This week we're going to the mailbag. My listeners have kept the e-mails flowing. I'm gaining insight on your interests and what you enjoy about the show. You're keeping me spiritually alert. Join me this week for questions, comments and perhaps the answers you've been seeking for a long time. You're invited to call in and share aspects of your own spiritual journey and let me know how Spirituality 101 is impacting your consciousness. If you're new to the class, welcome and know that this week there will be something special for everyone.
