December 11th 2009: Introduction to the Series "The Torah"

"In Discussion" invites guests to upcoming series "The Torah." Academic exploration of the Old Testament "Torah" will place practical applications for its listeners. As a methodical journey designed to clarify the commandments of God, this series opens up new avenues for listeners to place into context the values that have defined our creation and world order. The series brings Arabic and Aramaic translation to cultures and communities around the world.
