Autism One: A Conversation of Hope

Archives Available

January 19th 2010: PANDAS and PITAND: The medical basis for behavioral symptoms with Dr. Miroslav Kovacevic

What are the disorders PANDAS (Pediatric Autoimmune Neuropsychiatric Disorders Associated with Streptococcal infection) and PITAND (Pediatric Infection-triggered Autoimmune Neuropsychiatric Disorders)? How are the symptoms of obsessive-compulsive disorder, tic disorders, and Tourette's syndrome caused by PANDAS? What is the intersection between autism spectrum disorders and these illnesses? And, most importantly, what can we do? Join Teri for this fascinating discussion with Dr. Miroslav Kovacevic.
