February 8th 2010: "The Life and Career of Author and International Business Consultant Bruce Piasecki."

Bruce Piasecki joins "In Discussion" to chart his life and career in this engaging program, highlighting the synergy between literature, humanity and corporate philosophy. The conversation also talks to the urgent need for environmental focus through innovation and social awareness. During the journey evidence mounts that speak to the profound measures required to act swiftly in a fragile world. This engages the thoughts and methods that are referred to in Piasecki's latest publication "The Surprising Solution."
