February 26th 2010: Radiant Biology

Ever wondered what's in the way of uncovering your life's purpose? My guest Karla may well have vital information for you. She specializes in the release of old belief systems that keep us from moving forward and knowing our life's purpose. "Our biology," she says "holds key information for healing as well as information regarding the universe." Karla is an extraordinary healer/teacher who is also highly intuitive. She founded The Center of Consciousness in Virginia, where a team of dedicated practitioners offer tools of transformation, promote authentic living and teach their clients how
