March 03rd 2010: "The Life and Career of Film Director, Producer and Writer Jerry Zucker"

Jerry Zucker joins "In Discussion" in this compelling, humorous and passionate program talking on his career and achievements. From early childhood to present involvement in environmental issues he illustrates the broad range of films and projects that have impacted audiences around the world. From Airplane to Rate Race his comedic work has inspired many writers and producers to involve themselves in the productions he develops. His work also in dramatic productions including "Ghost" and a "Walk in the Clouds" has further enhanced and proved the extraordinary range of his writing and directing
