March 09th 2010: "The American Consumer - Facing the Identity Theft Epidemic"

Bob Sullivan joins David Gibbons to discuss the financial, economic and social breakdown in the United States and across the world. He has been reporting on computer crime, electronic financial fraud, privacy, and the Internet Underground and has written more than 100 articles on the subjects since 1996. During this program statements and concerns are raised that chart the rise and fall of a world's ethical and moral behavior over recent years in the financial and business markets.
