**March 18th 2010:"Metaphysical Science and Global  
Consciousness"**

Dr. Robert Pease joins David Gibbons on "In Discussion" as an expert and commentator in metaphysical science and global consciousness. His journey from childhood explores the unique story of reserve and insulation to profound liberator of mind and body. His deep views of the simplicity of life's road and extraordinary external powers illuminate followers to his informative and graceful approach to life's challenges and dreams. His doctorate and academic teachings to audiences around the world have developed respect and interest in the basic premise of living to the fullest. As a regular public

#### Robert Pease

After a near death experience Dr. Robert Pease became aware that the only thing that happens when we pass away, is that we stop breathing. "Nothing else changes, whatever consciousness I have here I take with me through the looking glass." It became evident that his journey was to discover deeper levels of awareness. As an internationally renowned transformational life coach, psychic, motivational speaker and author he leads you through the remarkable journey of the butterfly and beyond with his latest book, "Spiritual Bookcamp." With credits in film and entertainment his work as a radio broadcaster brings inspiration to listeners looking for enlightenment and peace.
