March 22nd 2010: Concussions and the
aftermath Pt. 1**

A bump on the head isn't that big of a deal or is it? Growing concerns over head injuries are leading to an awareness of the side effects of concussions for athletes. This trend is showing impacts on grades, attention span and life decision making processes. The aftermath of a concussion is a very serious thing and we all need to pay attention. Guests: Simone Brown – mother of high school athlete suffering from concussion side effects Wyatt Brown – Highland high school athlete suffering from concussion side effects
