March 23rd 2010: Psychology of leadership and the technology of leadership and organizational transformation

In this powerful program Dr. Cleve Stevens shares with David Gibbons his views on the world's economy, social and environmental climate. His background as an authority in the psychology of leadership at high levels in the corporate sector exposes serious flaws in the corporate mansion's policies. The discussion talks to a different and urgent approach required by industry leaders in the creation of transparency and trust with employees and consumers alike. The program explores our world's greatest possibilities with the innovative ideas and technology dawning a new era in business and social i
