April 13th 2010: "Protecting Humanity in the Aftermath of Natural Disasters - The Charity Dilemma."

David Gibbons is joined in this program by Pat O'Brien CEO of Air Tech Solutions 4U and Congressman Nick Lampson. The widespread concerns over Haiti have raised enormous fears in recent months for its long-term security and safety. With over 250,000 deaths, some 4,000 buildings destroyed and breakdown of basic infrastructure, charity efforts to support the devastated region in saving further lives has been overwhelming. However, many questions also arise in the charity organization's model and ratio of donations versus final delivery of funding to the many desperate issues in this and other countries.
