Seven times out of ten athletes are remembered more for their off the field antics than their on the field heroics, if that. While you may have at the most 10 notable players on offense and defense, a team is normally comprised of another fifty-six other team mates, whose lifetime dream was to be in the position that they are in now, but who crave greater recognition. For most the NFL is a launching pad for their other endeavors, or sometimes the beginning to the end. How do those players seek and find that inner satisfaction that their life long dreams may not really be providing. What a
