Dr Deborah Peel is a practicing physician and founder of the US organization, Patient Privacy Rights. Ms Micheal Vonn is a lawyer and the Policy Director of the British Columbia Civil Liberties Association. Both are deeply involved in pressing for better protection of healthcare privacy in the increasingly electronic world of healthcare. They highlight the services that their organizations provide and highlight those most likely to be helpful to family caregivers, in all types of families, who provide care for a family member. They explain the types of risks that loss of healthcare privacy may
