**May 17th 2010: "Psychological Recapitulation
and the Fundamental Road to Spiritual
Awareness."**

Regular guest Dr. Susan Anthony with Special Guest Dr Lee Jampolsky join David Gibbons to discuss the road to spiritual transformation and awareness. By recommending tools for success that exchange fear, blame, and anger for peace of mind, the program provides a step by step understanding leading to the fulfillment of peace in mind and body. Through analysis of everyday challenges including the need for material worth and resulting addictions in our modern society, pragmatic solutions surface to offer everlasting hope and peace in hearts and souls.
