Roxanne Davis is the mom of an autistic son, Mason. Chris Fowler, a professional Dog Guide trainer since 1994, trained the two autism assistance Dog Guides, Zeus and Dublin, that Roxanne Davis talks about. Roxanne and Chris tell us about the experience of autism and the assistance that Dog Guides provide to autistic children, their families and their family caregivers. Chris talks about the Lions Foundation of Canada Dog Guides and its work. Roxanne tells us about her family's experience with Zeus and Dublin. Chris explains how Dog Guides are trained and how the families are prepared for the e
