David Gibbons is joined in this program by Pat O'Brien CEO of Air Tech Solutions 4U, former journalist and other guests to talk to the increasingly mounting problems in the Gulf of Mexico. With the BP oil disaster now approaching global disaster proportions and Haiti's deadly aftermath following its January earthquake, the program raises serious questions about the American system. During the debate a striking and chaotic picture will be painted in order to press for immediate solutions towards changing the humanitarian conditions in Haiti's time of distress, and arresting the continued corpor
