**August 3rd 2010: The Autism Acceptance Project**

Estée Klar is founder and executive director of The Autism Acceptance Project, [www.taaproject.com](http://www.taaproject.com). She's the mother of a young autistic son, Adam. Dr Kristina Chew is an Associate Professor of Classics at Saint Peter's College in Jersey City, NJ. She blogs at <http://autism.typepad.com> about life with her 13-year-old son, Charlie, who's on the moderate-to-severe end of the autism spectrum. Estée and Kristina explain what acceptance means to parents of children with autism, to children and adults with autism and to the communities in which they all live. They describe the positive changes to th
