### The Money Answers Show Monday at 12 Noon Pacific August 16th 2010: Commodities are Hot and getting Hotter with John Stephenson

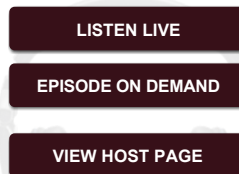

The Little Book of Commodity Investing is an indispensable guide for learning the ins and outs of commodity investing. Author John Stephenson explains why commodities figure as part of any well diversified investment portfolio and covers all the major commodity markets. Slumping supply and voracious demand have set the stage for a massive bull market in the real things that you use every day. As global growth resumes, a powerful rallying cry for commodities is about to be heard around the world. We will discuss why commodities are the next big thing, why oil is here to stay, the timing on buy
