Leading Conversations Friday at 10 AM Pacific

August 13th 2010: Special Encore Presentation: Toward a Whole Future

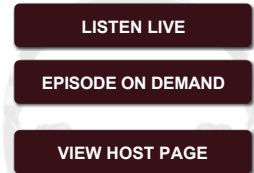

Cheryl Esposito welcomes John Renesch, a businessman-futurist, and author of *Getting to the Better Future: A Matter of Conscious Choosing*. What does this futurist do when the economy is in meltdown mode? He looks on the bright side with a systemic perspective (of course). Renesch sees economics as the most dominant system on the Earth, so powerful that all other choices and policies bow to its influence. It's not only our economic system that is in trouble, John says, but "every human system is in an earthquake: economic, climate, politic, legal, education, medical." And it is time for new cho
