[EPISODE ON DEMAND](#)

[VIEW HOST PAGE](#)

Dr Dave Travland, a clinical psychologist, leads the Caregiver Survival Institute. Bruce Ritchie is Moderator & CEO of the Fetal Alcohol Disorders Society. They both have powerful experience as family caregivers especially in the care of children with serious challenges. In their work, they support family caregivers facing a wide range of challenges. They discuss the challenges they personally experienced. They describe how their own experiences guide them in providing advice. They talk about advice that's most useful to family caregivers, and suggest ways for family caregivers to recognize us
