**September 3rd 2010: It's Better When It's Wet-  
Sexual Lubrication**

Sex with Jaiya returns! And we are going to have a whole bunch of fun today talking about sexual lubricants with my guests. There is a misconception that if women aren't lubricating something must be wrong with them. I want to break the myth and tell you ways that lube can make sex more fun, more pleasurable and even better for your sexual health and wellness. If you're interested in LUBE and being entertained tune in for a great episode- it will be slippery and WET!
