### Featured Guest

#### Jack Morin

Jack Morin, Ph.D., has been studying the erotic adventure as a clinician and researcher for more than three decades, often delving into uncharted territory. He is the author of *The Erotic Mind*, an in-depth guide to what turns us on—and why. His classic *Anal Pleasure and Health: A Guide for Men, Women, and Couples* just came out in a thoroughly updated 4th Edition. It remains the only research-based book on the subject. Dr. Morin is a professor at the California Institute of Integral Studies and a faculty member at the Institute for the Advanced Study of Human Sexuality. He practices psychotherapy and sex therapy in the San Francisco Bay Area ([www.jackmorin.co](http://www.jackmorin.co))
