Awakening to Conscious Co-Creation Archives Available

November 17th 2010: Approaching Chaos: Illuminating Insights into How We Can Help Ourselves

In her intriguing new book, *Approaching Chaos*, Lucy Wyatt takes an original and relevant look at just what we can do to reverse our civilization's potential economic, ecological and spiritual meltdown. The product of some ten years of passionate research, this book urges us to take a good look way back beyond those societies always admired as the first civilized examples. Considered to be both primitive and pagan, Lucy reveals them to be in many ways extraordinarily sophisticated, well-rounded and highly successful infrastructures that combine the spiritual and the practical. In taking a fresh

Lucy Wyatt

After studying International Relations and Italian at University, Lucy Wyatt went on to work for the National Economic Development Office, then in commercial design and marketing within Sir Terence Conran's empire and followed this by editing a business magazine for a firm of City of London stockbrokers.
