## Family Caregivers Unite!

### Archives Available

**November 9th 2010: What will happen to my child after I'm gone?**

Kenneth Pope is a lawyer specializing in support for individuals with disabilities and their families. Cynthia Martineau is a registered nurse whose daughter, Rachel, has Rett syndrome. They describe their professional backgrounds and their experience with estate planning for family caregivers with teenaged children with special needs. They highlight the future challenges that concern the family caregivers of such children. They talk about arrangements and questions about future quality of life for maturing children who lack a family caregiver. They explain how estate planning helps answer the
