December 10th 2010: Chemically Safe Sex- A
Healthy Level to Safer Sex

Protecting the people we love does involve keeping them safe. You may have thought about protection from STDs or STIs, but what about protecting your partner from harsh chemicals that may not be good for their body? There is very little regulation in the sex industry when it comes to toxic stuff. We're here to offer some solutions and let you know what's safe and what's not. D.Love and I will be joined by Ian and Alicia Denchasy, AKA Freddy and Eddy. Their a couple who knows their products well. Listen in for how you and your partner can practice Chemically Safe Sex!

Ian and Alicia Denchasy

Ian and Alicia are a married couple-together since 1989- who believe sex and intimacy are integral to the longevity of all relationships and that these components should be BETTER the longer they're together. They wish to defy the stereotype that marriage shouldn't be the sexiest and most fun time of their lives.
