February 09th 2011: Reversing aging, reducing pain, improving energy and brain function.

Find out how to naturally reverse the negative effects of aging, reduce pain, improve energy and brain function this week on Transforming Health. I will be discussing this and so much more with Dr. Bill Code who is the author of Youth Renewed A Common Sense Approach to Vibrant Health... at Any Age. Why is Dr. Code the go-to authority on this topic? Besides his medical background, Dr. Code has also studied Nutrition, Ayrvedic (Indian) Medicine, Traditional Chinese Medicine, Homeopathy, Osteopathy, and Herbal Medicine, and is one of the leading experts in Glutathione, the master antioxidant that i

Featured Guest

Dr. Bill Code

At 42, Dr. Code was at the height of a successful and challenging career in Anesthesiology when a Neurologist diagnosed the symptoms that had plagued him for fifteen years as progressive Multiple Sclerosis, an autoimmune disease where the immune system attacks the central nervous system, often resulting in severe pain and neurological deterioration. It was not until 1997, while attending a conference entitled Complimentary & Alternative Medical Choices for Multiple Sclerosis that Dr. Code began to have hope. Dr. Code began to investigate the integration of organic foods, vitamins supplements and other holistic wellness regimens to facilitate his healing process. It was his own progress
