March 14th 2011: Harmonic Vibrancy

James Ritchie-Dunham, president of the Institute for Strategic Clarity and adjunct professor at Harvard University and EGADE Business School (Monterrey Tech), joins ZOOM'D to explore recent research that points to a rising tide of new leadership pervading groups and organizations across the globe. Worldwide, tens of thousands of groups in business, government, and civil society are experimenting with and reinventing their fundamental agreements and discovering they can generate higher levels of harmonic coexistence and vibrancy. Jim describes early results of this research, what the new parad
