**April 04th 2011: Substance Induced Chronic Inflammation**

Kauley Jones will discuss inflammation as a major issue in and out of rehab as it has been linked to almost every chronic condition including pain. With such a high incidence of addiction related to chronic pain, the show will cover what causes inflammation and ways to decrease inflammation.

### Featured Guest

#### Kauley Jones

Kauley Jones is President of PCI a national medical development company. With over 20 years in the medical field Kauley is an expert in researching the best in cutting-edge evidence based services. Prior to establishing PCI, Kauley was Vice President of Sales and Marketing for an international specialty diagnostic laboratory. This expertise lead to the development of the PCI STEP Plan which is transforming the addiction medicine field by improving client outcomes. Kauley is no stranger to the addiction medicine field as she personally spent 5 months in a residential rehab in the 1980's. Kauley has a passion to see every individual in recovery have access and receive benefit from the in
