Mark McKergow, PhD

Mark McKergow, PhD, director of The Centre for Solutions Focus at Work, physicist & best-selling author. His newest book is Host: Six New Roles of Engagement for Teams, Organizations, Communities, & Movements. Mark McKergow says, "The secret ingredient of successful organizations is engagement of their people." As a physicist, Mark worked with teams decommissioning a nuclear reactor. Engagement on every level was vital. How leaders create the environment for that is a challenge. Mark's answer: "Host Leadership." Ever thought of yourself as a host to your organization? Hosting has ancient roots across all cultures. The role is familiar to most- hosting gatherings, houseguests, world digni
