Featured Guest

Robert Davis

President and CEO of Hayward Industries, Inc., Davis has been an integral part of the company for more than 30 years. Prior to joining Hayward® Pool Products, Davis led the company's industrial business where he was responsible for the growth and strategic development of Hayward Filtration. He also pioneered the growth and development of Hayward Flow Control, the leading manufacturer of engineered thermoplastic pumps, valves, filters and automated flow control products. Since taking responsibility for Hayward Pool Products, Davis and his senior management team embarked on a new growth strategy. With a renewed commitment to innovative product development and strategic acquisitions, the co
