### PI's Declassified! Thursday at 9 AM Pacific

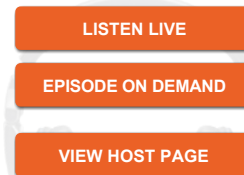

April 21st 2011: **Expert Witnesses: Are They Whom They Say They Are?**

Genuine credentials should be foundational to the credibility of any expert witness. An expert witness is defined as one who has knowledge beyond that of an ordinary person and often gives testimony to understand or interpret an issue requiring a specific expertise. But...are an expert's credentials always authentic? A background investigation of one expert revealed tainted qualifications. Tune in to hear the shocker uncovered by Private Investigator Chris Reynolds on a prosecutor's key witness.

### Featured Guest

#### Chris Reynolds

Chris Reynolds has been a licensed private investigator since 1979 when he was 23 years old, one of the youngest to acquire a PI license in California. He started working for a civil and criminal litigation firm at age 17 and since 1980 has owned & operated his own agency as Chris Reynolds Investigations. Chris is the President of the California of Licensed Investigators (CALI), the largest organization of its type in the world. This year is the second time he has served as association president. He has served in CALI leadership positions for years. He is a recipient of its Investigator of the Year award & in 2014 CALI honored Chris with the Distinguished Achievement Award. Along with
