April 30th 2011: Fillers: Pump up the Volume!!

While many people choose to have surgical procedures to improve their look there are countless people that would like to make an improvement without surgery. This week we will talk about injectable fillers. We've come a long way since the early days using collagen to plump the skin. From Restylane and Perlane to Juvederm and others, there are lots of choices. We will talk about the similarities and differences between all the options. Listen in and learn about Restylane, Perlane, Juvederm, Sculptra, and Radiesse from our guest experts. What are they used for? Where can they be used? How much i
