**Waking Up in America**  
**Wednesday at 2 PM Pacific**  
**May 18th 2011: What is a Sovereign?**

Roget's Thesaurus defines Sovereign as - (adjective - possessing supreme or ultimate power : in modern democracies the people's will is in theory sovereign.) 60 Minutes tries to turn the people's will into a conversation for terrorism. With over 300,000 people in the Sovereign Movement (who isn't sick of this government), 60 minutes attempts to make you afraid of your neighbor. Shame on you 60 Minutes for only presenting a very small view of a very powerful demand by people in the united States for the defacto government to stop eroding the Constitution and Bill of Rights.
