**June 02nd 2011: James Van Praagh**

A psychic senses energy around the living people or objects. A medium not only senses energy, but is able to interface between the slower vibrations of the physical world and the much faster ones of the spirit world. Though James Van Praagh is quick to point out that his gift does not provide insights into the future, he is able to provide detailed evidential proof that a loved one survived death. Surviving death may seem to be the supreme oxymoron, but he has a firm belief that we are all spirit beings, and that there is far more to our life than our lifespan.
