June 14th 2011: Faith-Based Healing, Medicine and Miracles

Jaentra Gardener was diagnosed in 1977 with multiple sclerosis. She explored every method that might help her overcome this debilitating illness. She not only received but she also studied numerous therapies and techniques. She healed herself. Denise DeJarlais is a healing coach, mystic, creative thinker, and open-hearted, involved person. She and her husband, Robert Peterson, faced his life and death struggle after he was diagnosed with glioblastoma, an aggressive brain cancer. They say why they took up healing. They explain what healing is, and who healers are. They say what healing does and
