June 17th 2011: Porn for Women and Couples with Erica Lust

This year I won a Feminist Porn Award for Best Sex Education. It was at the ceremony that I was introduced to Erica Lust's work. She won best film of the year. Erica is making what I consider sensual art. The world of pornography is changing thanks to filmmakers like Erica. We're going to talk about the differences between porn sex and real sex, and ways you can use visual images to enhance your sexual life. Erica is also the author of Good Porn- A Woman's Guide, she's going to discuss what's hot for girls when it comes to erotic movies. I can't wait to interview her!
