**July 19th 2011: Speaking with technology when your voice doesn't work**

Gail Fisher-Taylor, and her two sons, Kerr and Skye Wattie, are founders of Kilometres for Communication, <http://kilometresforcommunication.com>, a national awareness and fundraising campaign for empowering the voices of people who, because of disabilities, must communicate without typical speech. Tracy Shepherd is President of the Canadian Chapter of the International Society of Augmentative and Alternative Communication, <http://www.isaac-online.org/en/home.shtml>, which promotes awareness of the potential of augmentative and alternative communication (AAC) to enhance lives of individuals unabl
