August 10th 2011: Humpback Whales Bubble- Netting on Stellwagen Bank National Marine Sanctuary

Les Kaufman, CI and Boston University professor along with John Williamson, president of Stellwagen Alive talk with Rob about their whale watch voyage onto Stellwagen Bank August 5th where forage fish were running strong and humpback whales feeding voraciously. Les Kaufman explains the biology and feeding behaviors of humpback whales. John Williamson tells of decades working as New England fisherman often on Jeffrey's Ledges. Williamson, nominated by two states (NH and ME), served on the New England Fisheries Management Council. He explains the work of managing fish populations where the c
