August 15th 2011: Special Encore Presentation: Lies in Silence: Lessons about Bipolar and Co-Occurring Disorders

Lies In Silence advocates for improved diagnosis and treatment for bipolar and co-occurring disorders by describing the devastating toll the disorders took on three generations of the author's family. An insightful and compelling look that gives the reader an understanding of the depth of pain and suffering experienced by people who have these genetically transmitted diseases. SJ Hart's persistently questioning voice describes, in heartbreaking and revealing details, a compelling and incomprehensible journey -- searching for answers in an attempt to understand the catastrophic suffering of thr
